By the advice of Dr. A. K. Taylor, Professor of Anatomy, Memphis Medical College, I called on Mr. W.M. A. GLIDDON, and had a Truss made for me and applied. My case was an Inguinal Hernia. The instrument was fitted in April, 18:5, and I now consider myself perfectly cured. My age is thirty four, and occupation that of cistern builder. I can cordially recommend Mr. GLID-DON to all who have been so unfortunate as to be afflicted with Hernia. (Signed) CLARK BARBER.
